REGISTER NOW

The Soap and Detergent Association presents a free webinar. You can't miss this practical session on Thursday, September 24, 2009 at 6:00 PM ET, designed to help you, help your community prepare for cold and flu season and continuing threat of H1N1. The webinar will support family and consumer science professionals, FCCLA chapter leaders, health educators, school nurses, teachers and others who are involved in health and hygiene programming.

This webinar will provide you with information that is ready to share with community leaders and will involve these experts:

- Nancy Bock, The Soap and Detergent Association, Vice President of Education and Meetings;
- Dr. Diane Allensworth, Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP), Division of Adolescent and School Health (DASH) ; and
- Barbara Hyde, American Society of Microbiology, Director of Communications.

Join this webinar and help create a network of people that can provide leadership in public health nationwide.

Register now for this upcoming webinar. For questions email info@cleaning101.com or call (202) 347-2900.
